The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**DEPARTMENT OF PARKS AND RECREATION  
FIFTEEN YEAR RE-LEASE  
HOLLYWOOD BOWL - EMPLOYEE SEASONAL PARKING  
(THIRD) (3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Chair to sign the attached Parking and Open Storage lease for a 15-year term with the State of California Department of Transportation (Lessor) for the re-lease of 97 parking spaces for the Department of Parks and Recreation seasonal employees at an initial annual cost of \$6,625. Rental costs are 100 percent net County cost. The County will have use of the property between May 15th and October 15th each year of the lease.
2. Find that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Class 1, Section r, of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, and Section 15061 (b) (3) of the State CEQA Guidelines.
3. Authorize the Chief Administrative Office (CAO) and the Department of Parks and Recreation to implement the project. If approved by your Board, the lease will be effective March 5, 2003.

The Honorable Board of Supervisors

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Although the Department of Parks and Recreation has analyzed the possibility of converting a portion of the acreage upon which the Hollywood Bowl is located into employee parking, the department found it unfeasible and more expensive than the proposed lease.

Approval of this proposed 15-year lease will allow the Department of Parks and Recreation to continue to provide parking for its seasonal employees at the Hollywood Bowl between May 15<sup>th</sup> and October 15<sup>th</sup>. The subject parking is located in an area under the Hollywood Freeway in close proximity to the Hollywood Bowl and is uniquely located to serve this County program. The leased parking area can accommodate up to 97 cars, which is sufficient to fully meet the on-going seasonal operational requirements of the department. Significant growth of this program and its parking needs is not expected.

### **IMPLEMENTATION OF STRATEGIC PLAN GOALS**

The Countywide Strategic Plan directs that we improve the workplace environment in order to enhance quality and productivity (Goal 2, Strategy 2) and that we strengthen the County's fiscal capacity (Goal 4). In this case, we are providing leased space for seasonal operational requirements as further outlined in Attachment A.

Rental Adjustment	CPI every 24 months	CPI minimum 2% Maximum 7%-Annual	yes/annually

\*Re-evaluation of the property per State mandate will occur in the 5<sup>th</sup> and 10<sup>th</sup> years of the lease

Sufficient funding for the proposed lease is included in the 2002-03 Rent Expense Budget and will be charged back to the Department of Parks and Recreation. Sufficient funding will be included in the 2003-04 budget for the Department of Parks and Recreation to cover the projected lease costs.

The cost associated with the proposed lease is a 100 percent net County cost. The annual rent under the proposed lease will be subject to a minimum annual cost-of-living adjustment of two percent and a maximum annual increase of seven percent. There is also a provision for the re-evaluation of the property in the fifth and tenth year of the lease which could result in a rental increase. The County maintains the property and pays for the electricity to light the parking area.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Department of Parks and Recreation has leased the parking lot since 1991. The new 15-year term will commence March 5, 2003 provided the lease is approved by the Board of Supervisors. This lease is between the County and another public agency; therefore, it does

not require the review and approval of the Real Estate Management Commission.

The Honorable Board of Supervisors  
March 4, 2003  
Page 4

The Department of Transportation has specific criteria under which it may enter into leases with other public agencies. The main requirement (beside the use being for the public good) is that the rent be established at fair market value. The State Department of Transportation's mandated appraisal of the property upon expiration of the County's previous ten-year lease, set the new rent at \$1,325 per month or \$15,900 annually. Negotiations with the State Department of Transportation resulted in the State making the concession of charging rent only for the five month period that the property is being used by the County at a total cost of \$6,625 annually. The County retains the right to access the parking area for maintenance purposes only during the months of non-use.

CAO Real Estate staff conducted a rental rate survey to determine the market rate of comparable parking in the area. Based upon said survey, staff has established that there is a severe lack of available parking in the Hollywood Bowl area during the season which runs from May to October. When parking can be found, there are only a few scattered spaces available with rental rates ranging from \$55 to \$60 per space per month. When compared to the monthly cost per space for this facility of \$13.66 per month, the monthly per space cost represents a rate in the lower portion of the market value range.

The County has the option to cancel the lease at any time by giving the Lessor 90 days advance notice.

This lease is for seasonal employee parking under the Hollywood freeway and the leased area is not suitable for a child care facility.

#### **NEGATIVE DECLARATION/ENVIRONMENTAL IMPACT REPORT**

The CAO has made an initial study of environmental factors and has concluded that this project is exempt from CEQA as specified in Class 1, Section r, of the Environmental Document Reporting Procedures and Guidelines adopted by your Board, and Section 15061(b) (3) of the State CEQA Guidelines.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

It is the finding of the CAO that the proposed re-lease is in the best interest of the County and will adequately provide the seasonal employee parking necessary for this program. In accordance with your Board's policy on the housing of any County offices or activities, the Department of Parks and Recreation concurs with this lease recommendation.

**CONCLUSION**

It is requested that the Executive Officer, Board of Supervisors return two originals of the executed Lease; the adopted, stamped, Board letter and; two certified copies of the Minute Order to the CAO, Real Estate Division at 222 South Hill Street, Fourth Floor, Los Angeles, CA 90012.

Respectfully submitted,

DAVID E. JANSSEN  
Chief Administrative Officer
